EXPERIENCE

Wealthsimple — Backend Developer Intern

Jan 2025 – Apr 2025 · Toronto, ON

- Rewrote the tax-slip generation job in Rust, cutting the year-end batch from 9 hours to 50 minutes
- Added idempotency keys to the transfers API after tracing a double-deposit incident

Shopify — Software Developer Intern

May 2024 – Dec 2024 · Ottawa, ON

- Shipped bulk editing for product variants to 1.2M merchants behind a staged rollout
- Profiled and fixed an N+1 query in the admin GraphQL layer that dominated p99 latency
- Mentored two first-term interns through their first production deploys
