

Maya Chen

(404) 555-0182 | maya.chen@example.com | linkedin.com/in/maya-chen-example | github.com/mayachen-example

EDUCATION

Georgia Institute of Technology

Atlanta, GA

B.S. in Computer Science · GPA: 3.82/4.00

Aug 2022 – May 2026

EXPERIENCE

Software Engineering Intern

Jun 2025 – Aug 2025

Stripe

San Francisco, CA

- Built a retry scheduler for failed webhook deliveries that cut merchant-visible failures by 31%
- Migrated the dispute evidence uploader from a cron job to an event-driven Kafka consumer
- Wrote the runbook and alerting for the new pipeline, adopted by two other teams

Undergraduate Researcher

Jan 2024 – May 2025

Georgia Tech Research Institute

Atlanta, GA

- Trained a YOLOv8 model on 40k labelled drone frames for runway debris detection
- Reduced inference latency on a Jetson Orin from 90ms to 34ms with TensorRT quantization

SKILLS

Python, Go, TypeScript, Kafka, PostgreSQL, PyTorch
